Dear Cabinet Secretary,

Thank you for your response of 28<sup>th</sup> October 2024 regarding the A40 near Raglan, and for providing a copy of the Raglan Road Safety review.

I have taken a good amount of time to read through this report and to digest its contents, and believe it is a step in the right direction with some good options on the table for discussion. I note from your response that your officials are currently seeking a meeting with Monmouthshire County Council and Raglan Community Council to discuss the options in the report.

As the constituency Member of the Senedd for Monmouth, I would be very grateful if I could be invited to also join these discussions. Please can you advise if this would be possible?

Yours ever  
Peter
